The natural beauty and splendour that is Lombok is something to treasure and enjoy.

Incorporating adventure and relaxation, "Heaven on the Planet - Lombok" delivers an experience that is truly unique.

An Unspoiled Location

Heaven on the Planet is one of Lombok's best experiences, an eco-resort for relaxation, adventure, sports and environmental participation for the whole family.

With it's own private white sand beaches, Heaven on the Planet is set on 17 Hectares on the beautiful cliffs overlooking the entrance to Ekas Bay in south-east Lombok.

Whether diving or snorkelling in the untapped underwater wilderness of East Lombok, surfing one of the quality breaks at our doorstep, exploring the varied and remote wilderness (tours available) or just relaxing and enjoying the many activities we have on offer - Heaven on the Planet has something for you, including some of the best coastal views in the world.

"Be taken away to a place of unspoiled beauty and serenity, where you can experience life in a natural, peaceful and inspiring environment"
